

Water Diplomacy between Iran and the Gulf Cooperation Council (GCC)

Case Clinic
by Mahmoud
Javadi

What water bodies does the Case Clinic focus on?

The Persian Gulf.

What countries or actors are directly impacted by the case?

Iran and the GCC consisting of Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and the United Arab Emirates

What is one among many challenges to discuss?

Hostilities between Iran and some GCC states make cross-border flows of information and the launch of any top-down and bottom-up initiatives relatively impossible.

What would be one among many opportunities that results from this case?

Water diplomacy can pave the way for the engagement of civil societies and NGOs between Iran and the GCC states and lead to a science-led solution for the looming water insecurity in the region.
