

# Water Diplomacy in Israel, Jordan and the Palestinian Territories

Case Clinic  
by Islam  
Abdel Jabar

## ***What water bodies does the Case Clinic focus on?***

Coastal Aquifer, Mountain Aquifer, Dead Sea, Sea of Galilee, Jordan River and Yarmouk River.

## ***What countries or actors are directly impacted by the case?***

Israel, Jordan and the Palestinian Territories.

## ***What is one challenge to discuss?***

The role of international organizations, the EU and NGOs to push water diplomacy forward to support the peace process in the region.

## ***What would be one opportunity that results from this case?***

Water diplomacy between Israel, Jordan and the Palestinian Territories could form a successful model of transboundary cooperation, based on a common understanding that advancing a shared water security serves each country's national interests.
